

Rivers CAMERA SHOP

presents:

Great Education Tool —
for our
future Astronomers!

EDUCATOR'S NIGHT

grade schools — middle schools — high schools — colleges

Friday, April 7th • 6:00 - 7:30 p.m.

LOCATION: Rivers Camera Shop
454 Central Avenue, Dover, NH

• GUEST SPEAKER:

Ed McDonough —
Celestron Rep.

"Every one can now be an astronomer" & why schools should have a SkyScout.

Ed will be introducing the Celestron's new award-winning **SkyScout** portable sky navigator. Ed will discuss its use and benefits to astronomers from novice to expert. The **SkyScout** was the buzz at this year's CES Show and featured on *CNN* and *USA Today*, and won the prestigious *Popular Mechanics* Award.

SKYSCOUT AWARDS:

- * CES Best of Innovations: Personal Electronics
- * PC Magazine's Last Gadget Standing
- * Popular Mechanics Magazine
- * Newstips News Service: Best in Show

Identify, locate, and learn with the **NEW! Celestron SkyScout Personal Planetarium!**

Revolutionary handheld device with GPS technology. Point and click to instantly identify thousands of constellations, stars, planets, and more, visible to naked eye.

The SkyScout includes entertaining and educational audio and text information including facts, trivia, history and mythology about our most popular celestial objects.

A fun learning tool for all ages, the SkyScout personal planetarium puts the knowledge of an expert astronomer in the palm of your hand.
